I have made some edits and replied to your comments. I think it would be best if you cleaned up the document and see if you agree with my changes before e-concurrence. If you send me back the document I can put it into concurrence tomorrow morning.

Thank you. I think I'm learning how to put things on e-concurrence, so if you don't have time, please don't worry about doing it.

Laurel is working this morning before her flight.

Laurel, will you have time to review this and get it into e-concurrence this morning?
